Beautiful house of 520 sqm, a unique piece in all aspects, with breathtaking panoramic views of the sea and the city of Barcelona. Its more traditional architecture perfectly contrasts with its elegant and sophisticated decoration. The property has a fantastic layout and spacious rooms. We access into the house through a spacious and nice entrance hall that communicates with several areas of the house, including a bright living

room in two areas, one of them with a spectacular fireplace and wonderful views of the city. Passed through the hall, we access to the main bedrooms, one of them is a suite with a complete bathroom. On the other side, we find a large and bright glazed terrace with spectacular views of the garden and the city. A spacious dining room completes this floor and communicates with the kitchen. The kitchen is large, has direct access to the garden and has several spaces: an office, a laundry area, an iron area and a pantry. Going up the main stairs we find two luxury suites, especially bright and large, both with fantastic dressing rooms and bathroom. The two bedrooms have direct access to an amazing terrace of 60 sqm with great views to Barcelona. Continuing in the night area, we have another suite with its bathroom and an exit to terrace of 40 sqm overlooking the spectacular gardens of the property. In the basement we find a comfortable independent house for the service, a cellar, the parking and the warehouse. The house is built on a magnificent plot of 1615 sqm and has a beautiful garden with a wonderful olive tree and a great variety of pines, palms, other trees and flowers. The spacious garden consists of several areas: a large area with large swimming pool, barbecue area and private areas that bring a lot of privacy. The house is in a privileged and very safe location of Pedralbes surrounded by luxury villas and is unique compared the rest of the houses of the area. Pedralbes is the luxury residential area par excellence of Barcelona. It is located only 15 minutes from the Airport and 10 minutes from the city center.
